Francesca Magno

Manager – Montevideo

Francesca Magno is an Attorney, Manager of the Real Estate Investment division at Andersen in Uruguay.

As an attorney, she also provides immigration advice to multinationals, local companies and individual investors willing to relocate to Uruguay

In her legal practice, she also assists clients with residency, citizenship, relocation, investment and customs related processes.

In such sense, Francesca is a national and international reference for Uruguayan immigration law. She is a professor at the University of Montevideo for Immigration and International Protection. Also, a speaker who participates in several international conferences.

In her practice as an attorney, Francesca has vast experience in various foreign investment projects. Francesca leads a multi-professional team advising tailor made projects for foreign clients, developing mainly personal and commercial real estate investment projects as well as farmland investment projects.
